(b) and (c) By and large the sanitory conditions of CGHS dispensaries were satisfactory. The locations of M.B. Road dispensaries in Sector I and IV are not very conducive to satisfactory sanitory conditions and the matter has been taken up with the C.P.W.D.

**Teaching at Guru Teg Bahadur Inadequate Infrastructure for Hospital, Shahdara**

941. SHRI VISHWA BHANDU GUPTA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the students of 3rd year M.B.B.S. University College of Medical Sciences have made representation about inadequate infrastructure for clinical teaching at the Guru Teg Bahadur Hospital, Shahdara since there is no working operation theatre, no casualty, emergency services and no bed or wards and no clinical teaching staff;

(b) if so, what action has been taken by Government to augment the infrastructure of the G. T. B. Hospital; and

(c) whether it is also a fact that the degree issued at the end of the carriculum may be derecognised by the Medical Council of India due to the short comings in the hospital?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) and (b) The 3rd year students of University College of Medical Sciences have represented alleging lack of adequate infrastructure for clinical teaching at the Guru Teg Bahadur Hospital, Shahdara. The Delhi Administration has reported that arrangments exist for clinical teaching at Guru Tegh Bahadur Hospital and efficient OPD services, minor operation theatres and other supportive service facilities are already available. The Ap-ex Committee representatives of Delhi Administration, University of Delhi, Ministry of Health and Faminly Welfare have taken steps to ensure that additional clinical facilities required for 3rd year students are made available from 1st July 1987. A Committee has been formed to monitor the day to day progress in establishing additional infrastructural facilities in the Hospital.

(c) The question of recognition of the MBBS degree on a continuing basis granted by the Delhi University in respect of the students being trained at the University College of Medical Sciences will be considered after an inspection is carried out by the Medical Council of India in due course.

**Air linking of Shimla**

942. SHRI F. M. KHAN: Will the Minister of CIVIL AVIATION be pleased to state

(a) by when Shimla is likely to be linked by air service to important cities in the country; and

(b) by when the airport at Shimla is likely to be ready, and the expenditure incurred thereon so far?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI JAGDISH TYTLER): (a) and (b) Subject to development of an air-field and provision of infrastructure, Vaydoot has plans to airlink Shimla during April 1987, by which time the runway and the temporary terminal building are likely to be ready. The expenditure incurred so far is Rs. 3 crores approximately.
